Hi Sarah/Valois/Craig: Bert is checking on whether there is a standard reporting format (I couldn't recall) but here is what I have for projected consultations for UIC through March 2020:

Ex. 5 Deliberative Process (DP)

Any others tribes who have accepted our invitations to consult and/or we anticipate consulting further with?

Thanks,

Douglas

Subject: Reminder re: Semi-Annual Tribal Consultation Reporting Request - Please respond by 9/20

Good morning SLT – I'm sending a courtesy reminder that we've received AIEO's semi-annual call memo for tribal consultation reporting. I'm attaching the memo here for your convenience.

We are asked to submit planned and projected tribal consultation efforts that we (Region 8) know of or may engage in during the next 6 months (October 1, 2019 – March 31, 2020). As the Region's consultation contact, I'm helping to organize this effort, and so please provide me with any projected consultations you are aware of. Any projected effort we're considering is not a guarantee or commitment, but provides insight into the consultation efforts we know of and may host within that time period. This is also not a definitive list, meaning that if our regional plans change, or we have additional consultation opportunities we'd like to initiate or that we learn of at a later time, we can still make those changes at a later time.

If you have any questions about whether to include something in your consultation update list, please go ahead and submit the information in a separate column or section for follow up, and I'll speak with you directly when I return to the office.

Thank you again! – Kim V.
